SPEKTRE
EYEWEAR

Spektre Eyewear is an eyewear brand based in Milan and born in 2009. Spektre is now sold in the world's most cutting-edge boutiques in over 56 countries. Elegance and street style is the perfect mix behind all the Spektre's collections. Iconic shades that enhance the unconventional side of one's personality, and chosen by fashionistas as the latest must-have fashion accessory. Spektre is for people who dress to kill, who love to combine elegance and design with humor, as well as originality with impeccable taste and quality.

Is the continuous contrast of these opposing but complementary attitudes that makes Spektre creations' always in line with the Zeitgeist, adapting dynamically to the wind of change and making every frame iconic and timeless.

During these years, indeed the brand have caught the eye of many Stylists, Designers, Buyers, Top Models, Fashion Editors, and Bloggers.

Spektre accurately oversees the entire production process, with a special attention to innovation, design, shapes, details, materials and colors. The result is an exclusive product of premium quality with an original style and proudly Made in Italy.
